MEMORANDUM

TO : DOPC

FROM : TRS

SUBJECT: CIC Training at Camp Holabird

1. I have had copies made of your memorandum on CIC Training at Camp Holabird for our files and for forwarding to [REDACTED]. I also requested [REDACTED] to comment on the CIC course, comparing it with what he now gives and is prepared to give. Your original memorandum and [REDACTED] comments are attached.

2. Some months ago both [REDACTED] visited Holabird and were not particularly impressed with the calibre of the instructors and the training they gave. It may well be that their course has improved and that some of our people would benefit from taking training there; however, I believe that [REDACTED] plus the experts in C&D and Communications are capable of giving much more operationally useful work in all aspects of offensive and defensive use of investigative procedures.

3. What I should like to explore, however, is the possibility that one or two of my instructors could be permitted to take the complete course at Holabird, either as CIA representatives or as Reserve Officers recalled for a short tour of temporary training duty. I should like to discuss this with you.
